

To Mrs. Margie Cheung: In Gratitude

*"Behind every great man is a woman,"
So the saying goes.
We have witnessed that 'tis true,
As Rev. Cheung's example shows.*

*He couldn't have come to CWS
Without your full support.
He stayed and served in San Francisco Bay,
While you in St. Louis held the fort.*

*But you regularly talked on the phone,
To ensure he is well clothed and fed.
You comforted his disturbed soul
When heated e-mails he sometimes read.*

*You came to us from time to time
Important events to attend and sit through,
Understanding not a single word in Mandarin
Though you are fluent in English, and Cantonese too.*

*You brought gifts for us as well,
Besides your humor and laughter.
You stood by your man always,
Beyond reproach in demeanor.*

*You modeled for us true submission
To God and to the person you love.
May your years and your tribe increase,
With rich blessings from Heaven above.*

*(dedicated to Mrs. Cheung on May 22, 2010, in deep appreciation of her sharing
Rev. David Cheung with CWS from 2006 to 2010)*
