

CWTS Effectiveness Statement 2023

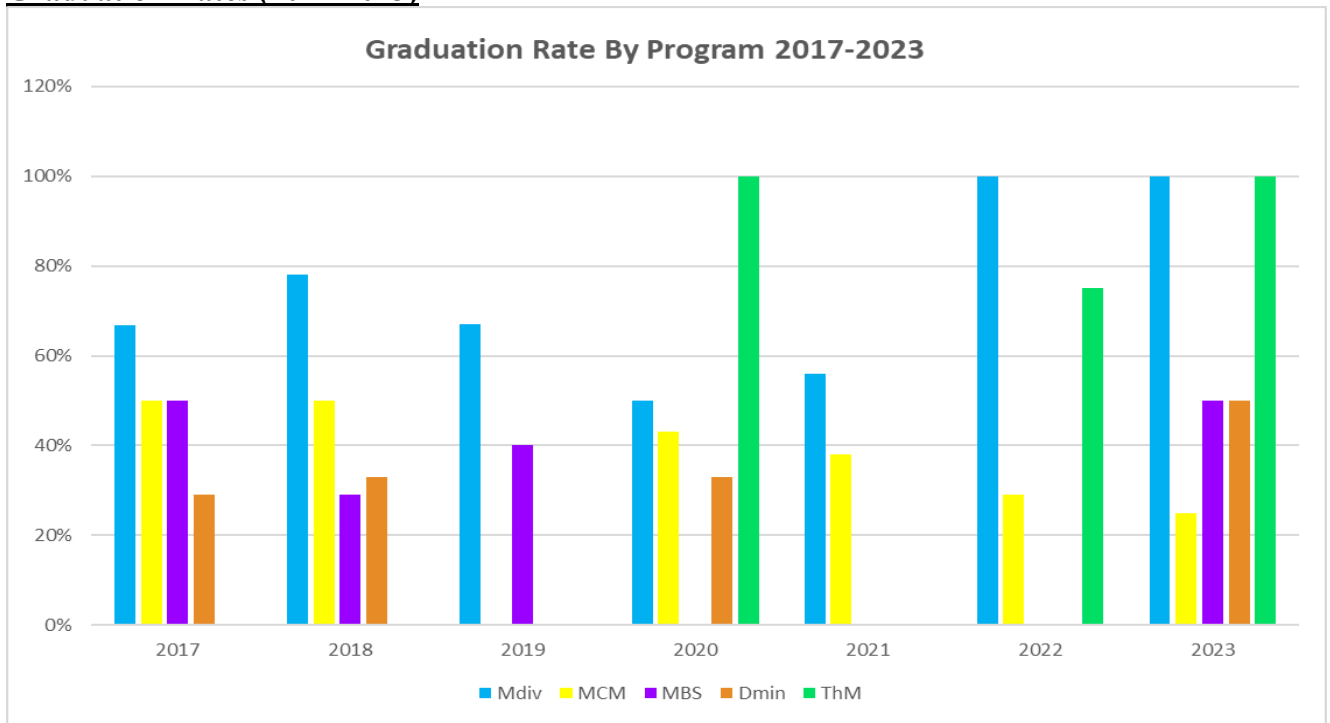

The faculty of Christian Witness Theological Seminary is committed to designing effective programs and their ongoing evaluation in accordance with the mission of the School.

The following show four areas of effectiveness: **(I) Admissions Rate (II) Graduation Rates (III) Graduate satisfaction (IV) Graduate placement**

I. Admissions Rate (2018-2023)

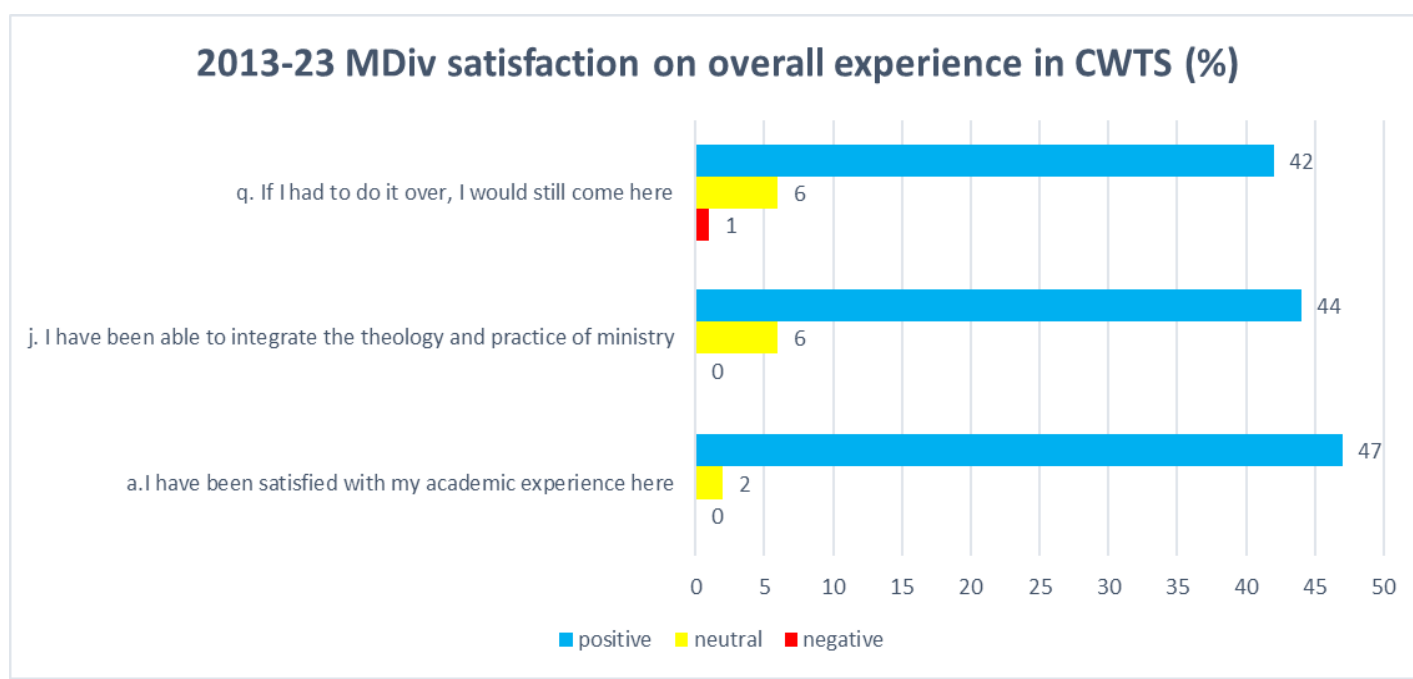

II. Graduation Rates (2017-2023)

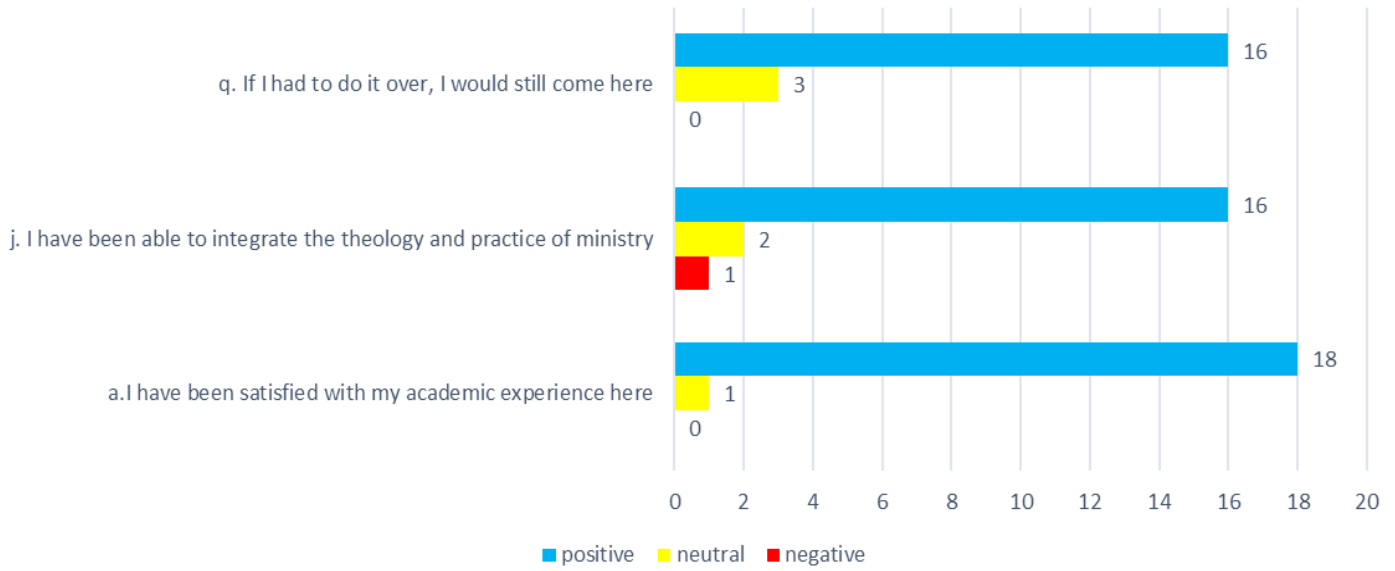

Programs	Graduation Rates (2017-2023) averaged
Master of Christian Ministry (MCM)	39%
Master of Biblical Studies (MBS)	42%
Master of Divinity (MDiv)	74%
Master of Theology (ThM)	92%
Doctor of Ministry (DMin)	36%

Note: These show the graduation rates within twice the expected duration of the programs. The actual graduation rates were much higher than these; that is, most students took longer than expected to graduate, but graduated eventually.

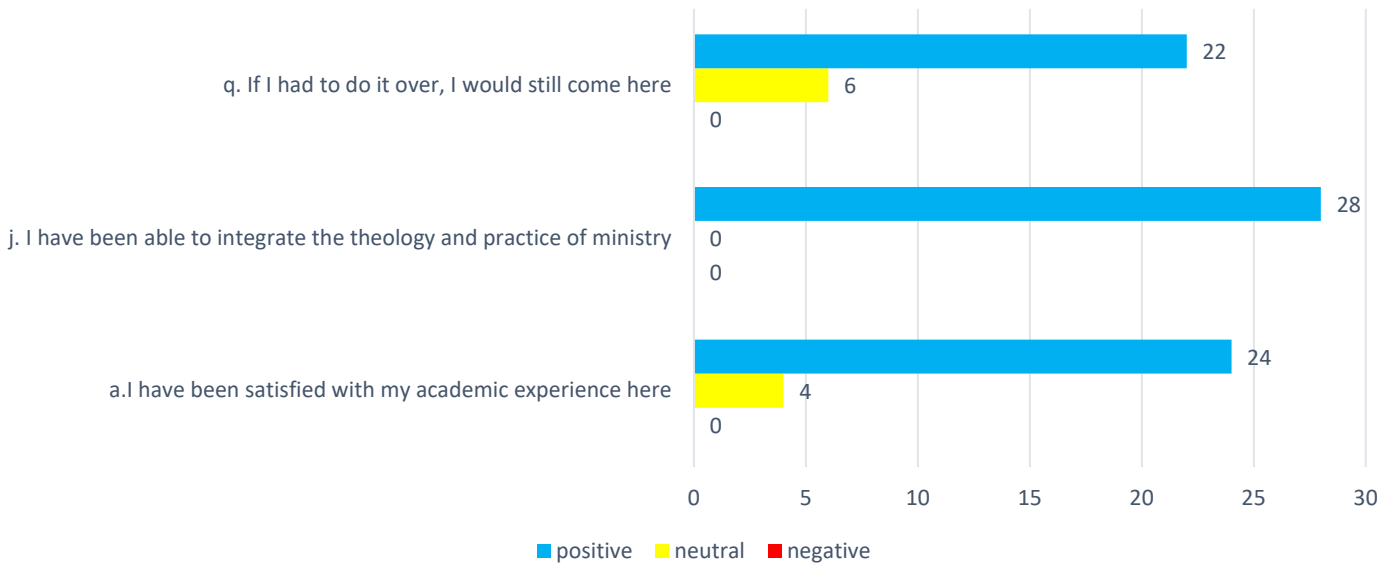

III. Graduate Overall Satisfaction by Degree Program

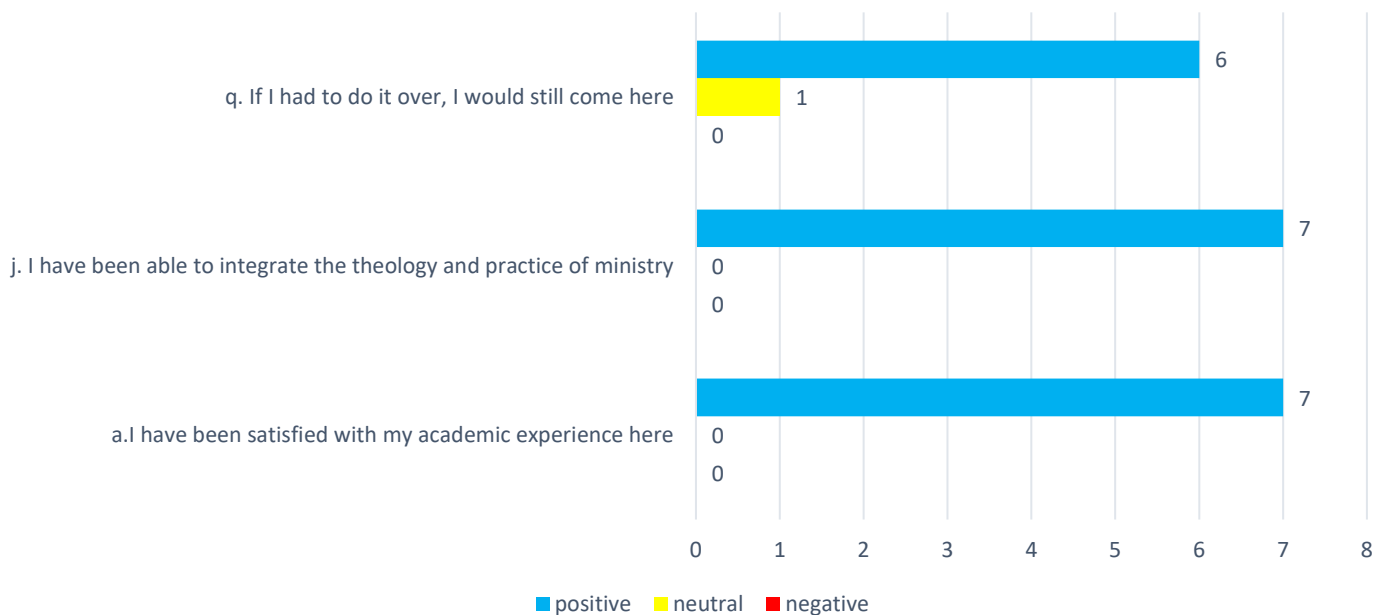

2013-23 MBS satisfaction on overall experience in CWTS (%)

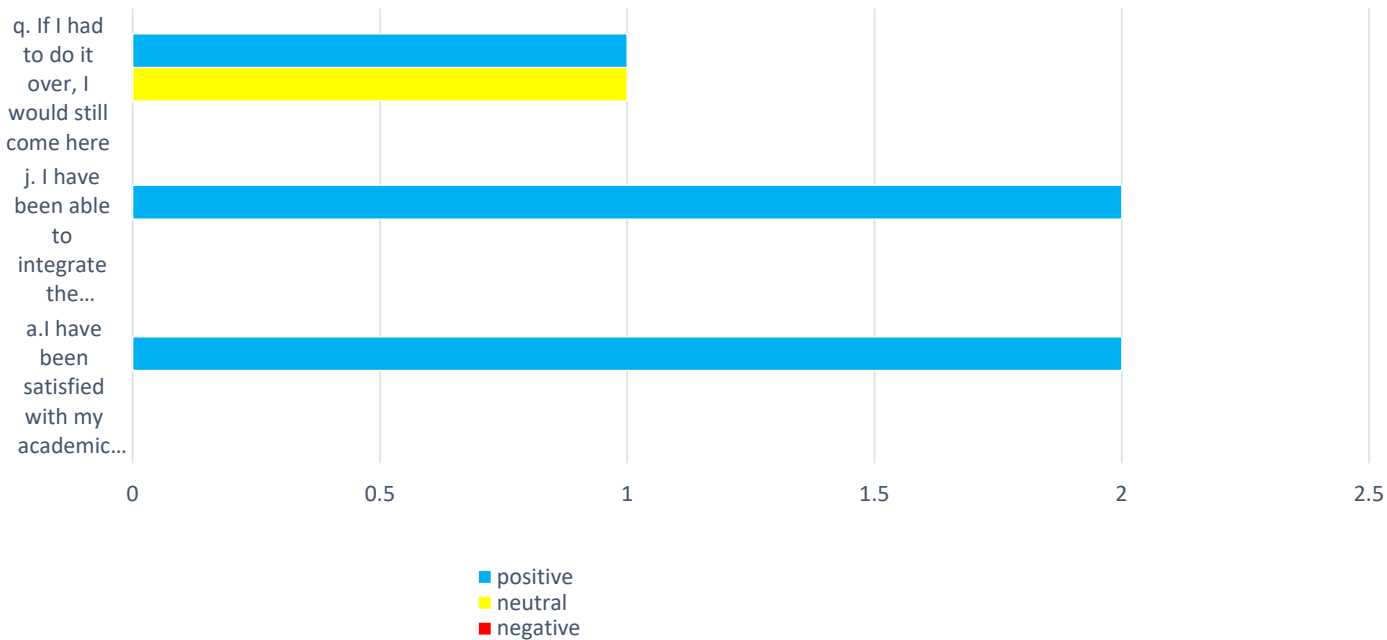

2013-23 MCM satisfaction on overall experience in CWTS (%)

2017-23 DMin satisfaction on overall experience in CWTS (%)

2023 ThM satisfaction on overall experience in CWTS (%)

IV. Graduate Placement (2020-2023):
